We have robust audit systems in place that actively monitor suspicious activities, including unusual deposits and withdrawals. Our anti-money laundering staff diligently oversees these processes to ensure that our platform is not used by individuals attempting to launder money under the guise of a lack of KYC policy. In the past, some individuals with malicious intentions have attempted to use our platform. Rest assured, we are not naive to such efforts, and we take swift action to eliminate any fraudulent activities. We have helped victims of fraud recover their funds and will continue to do so. Those who are currently trying to deceive, know that you will not succeed.

Take this warning: while we value your privacy, we will not tolerate any misuse of our platform for illegal activities or fraud. rabid-rabbit.org is dedicated to ensuring a safe environment for the overwhelming majority of our users who use our services responsibly.
